

Todd Joseph

Chief Information Officer

Todd Joseph is the Chief Information Officer of Pluralsight, Inc., the leading technology workforce development company that helps companies and people around the world transform with technology. As a member of the executive team, he is responsible for overseeing all aspects of Pluralsight's information and business-technology-related systems in support of the company's growth.

Todd joined Pluralsight in April 2022, bringing with him over 20 years of operational and technology leadership experience in both private and public companies.

Prior to joining Pluralsight, Todd was most recently Chief Customer Officer for Apptio, a technology business management software company. He previously served as SVP Technology & Cloud Operations for Marketo before the company's sale to Adobe, and as EVP of Project Strategy and Growth at FleetCor Technologies.

He also held multiple operating and technology positions at Comdata, including Chief Operations Officer and Chief Information Officer, and was instrumental in the company's sale to FleetCor.

Todd has a BBA in Business Analysis from Texas A&M University.
